Dear Wolfgang:

It has been brought to my attention by the Senate Committee on Ethics and Elections that you have been appointed to serve on the Florida Partnership for School Safety and Security. Congratulations on this appointment, which I will support when it comes before the full Senate for confirmation.

It is a pleasure to know that local businessmen and women are willing to donate their time, talent and effort to serve our State on various commissions, boards and committees. You are to be commended for your willingness to serve, and on behalf of my constituency, I thank you.

I am sure you will find this service both challenging and rewarding and one that is perfect for you. I know you will be a real asset to this group.

Best regards,

State Senator
