Jared Kushner 666

Where did Jared Kushner suddenly come from? We never heard or knew anything about this strange, smiling Jew before 'The Election Campaign of the Century.' He reminds me of some sort of icky, reptilian thing. No coincidence that he owns a building numbered, 666. Allegations have come forth suggesting very nefarious research and development is taking place there to help effect a terrible agenda to wipe out a very large number of White People. RFID technologies are supposedly being developed in that mysterious building in Jew York. These are the technologies <<<they>>> want to implant in everybody so all your movements, thoughts, your entire being can be externally controlled and you are rendered into something resembling an automaton. We already know about the plethora of mind control technologies being foisted on us; how Manchurian Candidates are made, it is no wonder to us that very malfeasant R & D is being conducted in a building with that infamous number on it; a number first used to demonize the Emperor Nero; whose name in Hebrew spells the number, 666 and so the number came to be associated with The Devil, since Nero was hell bent to cover his tracks for burning down old Rome; a disgusting, verminous squalor of decrepit tenements with a massive sewage problem. The fact the Emperor burned thousands of human beings in the process, was not really a factor to his way of thinking. Indeed, for one night garden party he had 1000 slaves garroted and then used for torches to light up the event. Other human manifestations have also been credited with that number, including those who never deserved to have that number attached to their glorious name; such as, Adolf Hitler.

So, now we have this Jared Kushner chap who is assuming all kinds of powerful offices in the American Administration without any qualifications, no elections, nothing. He is just this Jew who showed up and somehow married Donald Trump's daughter and has children with her. The entire situation is very strange and does not bode well for the nation; a nation in the beginning stages of a revolution. It is our opinion that mass hysteria has been induced into the American population, much of which has been very deliberately dumbed down with a Judified Public Education System where the Goyim are taught very differently than the way Jewish children are taught in their schools; the Talmud/Torah indoctrination centers where Jewish children are infected with the Jewish myths and desire to: lie, cheat, steal, and even kill Goyim. Jared Kushner is of the tribe that believes those admonitions to be from God. The problem is, the God of the Jews is Lucifer, whose Batman is named, Satan and whose number is also, 666. Is it possible that Jared Kushner is the Son of Satan? Remember, Satan is very subtle and very persuasive, and oh, so charming. Now that the revered nation of the Brave and the Free has been reduced to a nation of crazy people, Jared is smiling that smile. You know what we mean. That smile which is so unsettling and creepy. What do you think?

WHAT HAPPENED TO THE USS FITZGERALD?

That story was covered over very quickly, wouldn't you agree? An attempted False Flag is effected and the evidence is very quickly covered up. How long was that story up? One week? So, now the story is even more fishy, in our opinion. Again we see no

accountability brought forward and the story is buried even though over a hundred sailors were likely killed. Remember, the hull was buckled in the incident and that means, there was something holding the ship rigid on the opposite side of the crash. Just contemplate simple physics and vessels at sea, bobbing on salt water. Do an experiment in your bath tub and take your cargo boat and crash it amidship of your much smaller toy missile destroyer and see what happens.

Muslims, Muslimas, and You

They want to kill you. They do not like your Western Ways. In fact, they are very racist monsters who firmly believe that everyone who is not like them is an inferior thing which must be exterminated by torture and murder. Muslims are the only ones who make it to Islamic Paradise. There are no Muslimas there. So, why they subscribe to the psychopathy is difficult to come to grips with. And, the only way for a Muslim to get into Paradise, where he can enjoy young boys, dressed in green, and 'bashful virgins' the colour of coral or red as rubies, is to kill infidels. The only girls that I know of who are the colour of corals are White girls who become red as rubies when baked, naked in a slave market in the Middle East, or possibly in your town square within the next number of years if you continue to allow this Islamic abomination to invade your nation and subject you to their twisted version of law called, Sharia.

You have to be extremely vigilant now that Muslims are invading your towns and cities. They think that their psychopathy is superior to our Western, Christian Culture. Of course, if one does but a modicum of research you will quickly learn that those supposedly superior Arabic Islamic beings are not in any way superior but are a very dangerous, pre Medieval cult of psychopaths and pedophiles. The only Muslims to make it to Paradise are ultra Muslims and they have to torture and kill all infidels, the more the better their chances of making it to a place where their Allah is not even present; because it is not very sociable, preferring to be alone. Indeed, Allah has no sons. So, whatever the relationship is between a Muslim and his god is very bizarre, made especially so because Allah is capricious. One never knows when one will get it, even if the Muslim has been a good follower of the Satanic Verses and spent a goodly portion of his life debasing himself on his knees.

Islamic culture is not superior to ours and we White Christians must realize that they are here to commit mayhem and murder once they hit a critical mass. Their mosques are weapons caches to be used against us with extreme prejudice and no remorse. There is no such thing as a peaceful Muslim. The only difference between a radical Muslim and a moderate Muslim is: the former will cut off your head whilst the latter holds your feet.
