## **WE'VE HAD ENOUGH.**

### *IT'S TIME TO ACT*

Enough is enough. We have had it with those Jewish Manure Spreaders. We have had it with those despicable perverts; those pedophiles; those Satanic Monsters. We are sick and tired of the disgusting malfeasance perpetrated by the likes of Hillary and Bill Clinton. We are no longer willing to tolerate the likes of Harvey Weinstein and Jeffrey Epstein. Huma Abedin and that pecker head appropriately named, Weiner. Jews. They are all Jews! And they have again let the Jew out of the bag and now, because of the wild card they never foresaw, or so it seems, the Internet has brought Jewish horror directly in our faces from many angles. We knew immediately about the Jewish hand involved in the mass shooting of conservative country music fans in Las Vegas. ISIS, the FBI, the CIA; all of those alphabet agencies; ATF, FEMA, you name it; all of them are directed by Jewish entities and they are all complicit in TREASON and MASS MURDER. Remember, Israel's Mossad is heavily involved in the death of freedom on 9/11.

Mass murder comes easy to Jews. Hillary laughs over it. Ted Bundy murdered more than 35 young, lovely Gentile girls. He was a Jew. Jeffrey Dahmer was a Jew and so was the Son of Sam. Did you know that most serial killers in North America are Jews. You can Google that, if the information has not been removed yet because Jews do not like their crimes to be visible. Indeed, they are admonished by their holiest of holy books, the Talmud, that if they want to commit a crime to do it away from one's home town but go somewhere else to commit the deed. Through deception so the Jews commit their foul deeds; they openly admit it and now it is time to say, we have had enough and it is high time the perpetrators of destruction are rounded up, tried, and creatures such as Hillary Clinton be hung by the neck until dead, dead, dead. As for God having mercy on her soul, it is not possible because she killed her soul a long time ago. In fact, I have a suspicion. Since Jews are the Sons of the Devil and the Spawn of Satan, they can never develop a soul in the first place and hence there is nothing there for God to have mercy on. Jews no longer deserve our mercy, either. We have had it with their schemes and their, in our faces, chutzpah.

Enough is enough. We can no longer tolerate the lies of the Jews justifying three millennia of cheating, stealing, and mass murder of non Jews; those of us whom they call, 'animals in human skin.' We can no longer tolerate their filthy hands in our public schools. We can no longer accept their role in nefarious schemes which place our children in danger. Indeed Jews still sacrifice Gentile Children. Have you never wondered where do all those missing children go? Thousands and thousands of children go missing every year, never to return to their happy homes. Many children end up as sacrificial victims of the Jewish blood lust. It is all in the open now. The Jews have finally overstepped whatever line was drawn and we have had it with their inhuman behaviour. They served it up with John Podesta and his band of slaving demons at their grimy little pizza shops. We know all about it. Indeed, it is no secret any longer. Your Talmud is revealed. You are the kings of mayhem and self admitted destroyers of all that is sacred and of value. You are indeed what Jesus of Nazareth called you; 'The Children of Satan and the Sons of the Devil.'

Madeline Albright, another bride of Satan, a Jew, and a disgusting fat pig; ugly as a Golda Meir; a bulbous nosed terrorist and one of the founding manure lumps of the Carbuncle called, Israel; a Jewish criminal haven for murderers, thieves, rogues, carpetbaggers, war mongers, and

pornographers, ought to be dangling beside Hillary. Dianne Feinstein and her scam artist husband; both of them Jews, also would look just fine, gently swaying in the breeze. Before they go, they can watch the likes of Michael Chertoff and Rahm Emmanuel being given a short drop from the men's gallows where Henry, the Jew, Kissinger; a horrible bloated useless eater was already rolled out to the end of his rope.

Jews with dual citizenships in Congress and the Senate have to be deported to somewhere; perhaps an island in the middle of the sea because we have had enough of their war mongering for the sake of Israel. We have had enough of Jewish wars consuming our young men and women in their Talmudic meat grinders. We are no longer willing to tolerate the Diabolical madness of the Jews. Those who have committed sedition, treason, murder, must be hung by their Kosher necks and removed from the living with extreme prejudice; the same prejudice they practice against everyone who is not Jewish. Calling us, 'animals in human skin,' is something we take great exception to. We are no longer tolerating your filth and corruption, you Jews; you Spawn of Satan. It is time to begin the terrible work. It is time to expel the Jews from all positions of power and control exactly like so many other brave nations have done once the Jew was out of the bag.

Hillary must be hung by her scrawny neck for what she has done. Hillary Clinton must be the poster girl here in NORAM, just as that foul Jew, a homely, sour faced angel of death, Angela Merkel must be the poster cunt for Europe. Whilst in Europe, Tony Blair must be found and stretched good and slowly. Once he has finished grinning, the entire Jewish infestation in Windsor Castle has to be addressed with extreme prejudice because they have committed so much that is just plain evil. They sanction the Jewish infestation known as Rothschild to bankrupt entire nations with fiat money not worth the paper it is printed on. In the British Commonwealth the head of the Jewish queen, Lizardbreath II is printed on all the paper and base metal tokens which are worth less every year; eating up the wealth of the Gentiles and rendering them all deeper and deeper in debt and ever more poor; their circumstances diminishing by the year and shortening lives as a result of the stress and pressure people endure just to pay their onerous rents; often time to Jewish landlords who have no mercy because Jews are admonished to show no mercy to Gentiles and to kick them when they are down. Jews who own the revenue agencies, such as the Canada Revenue Agency are taught to shut Gentiles down just before Christmas when it will hurt the most. That was admitted to me by a bloated retired revenue agent. Taxes are legal plunder.

Hillary must be hung. It has to start with someone and her smirking, Jewish face has to go. We have had enough. We can no longer tolerate creatures such as her grinning and waving at us as if nothing is wrong and her crimes are nothing substantial. Well, we at DtRH have had enough and so have many others. There is a critical mass coming and the Jews will soon be completely exposed and not one Gentile will be left who does not know who is the enemy of all life on Earth and will point a firm finger directly at those vermin the Jews and will applaud when one of the foulest of them is hanged by her neck on an appropriate gallows in front of the White House.

When the show begins it must be broadcast to the world via every medium possible. Of course the media will have been wrested away from the Jews who now control it and use it to spread their lies and cover up their crimes; crimes such as the shooting in Las Vegas and the evaporation of neighborhoods with directed energy weapons. Only terrorists such as Jews control such weapons and use them against Gentiles without batting an eye. Remember they dropped Big Boy. Well, we have had enough and it is time for Karma to bite the Jew in his Khazarian arse.

It is time to shout, enough is enough from the mountaintops. It is time to put an end to the Jewish malfesance and remove them all to an island in the South Atlantic where we fed up Gentiles can surround the place with our navies and keep the Jew safe and contained. Jews such as Hillary Clinton, Angela Merkel, Janet Reno, Chertoff and Company, when ALL OF THOSE JEWS have been removed we will see Justice returned to our planet. Also, remember the Muslims.
