

DOWN THE RABBIT HOLE

An Honest Discussion of Politics, Religion, and all Kinds of Things we
are not Supposed to Talk About.

FIRST EDITION

September, 2016

Many people are wondering about the Jewish Question. It is a good question. What are they? Are they a tribe, are they a religion, are they a race? Are they any good for us? So, in order to answer this question we thought it best to let them answer the question in their own words, so there is no misinterpretation and they claim we are being unfair to them and inciting hatred. We are not promoting hatred of any group. If you chose to hate, that is a choice you make. All we do is report what Jews have said and what they read in their 'holy' books: Talmud, Torah, and Cabbala. Same goes for Muslims.

In the Talmud it states that the law for the Jew is, he must lie, cheat, steal, and even kill goyim. The word goyim is applied to non Jews and means, 'animals in human skin.' In case you want to check this all out for yourselves you can find the entire Babylonian Talmud at:

Comeandhear.com.

The basic Talmudic doctrine includes more than a "super-race" complex. It is an "only" race concept. The non-Jew thus ranks as an animal, has no property rights and no legal rights under any code whatever. If lies, bribes or kicks are necessary to get non-Jews under control – that is legitimate. There is only one "sin," and that is anything which will frighten non-Jews and thus make it harder for the Jewish "humans" to get them under control. "Milk the Gentile," is the Talmudic rule, but don't get caught in such a way as to jeopardize Jewish interests. Summarized, Talmudism is the quintessence of distilled hatred and discrimination – without cause, against non-Jews. Opening quote in Comeandhear.com.

AND NOW FOR A NOTE ABOUT ISLAM

The editors are reading the Holy Q'uran in a Penguin edition entitled, KORAN. At present we are half way through and have some interesting observations with very significant implications for Christians. Almost every page of this 'holy' book contains the word, 'PUNISHMENT'. Other words which figure prominently are: 'scourge' and 'hell fire.' Anyone not believing in the Q'uran and the Prophet will be punished with torture and death. The text of this book is very repetitive with lots of fear mongering. Fear mongering is the general tone of the book, so far. Boys and virgins are also mentioned as prizes for those who believe in the merciful Allah.

ISLAM IS NOT A RELIGION OF PEACE! and is very dangerous for us.

DID YOU KNOW that the Supreme Court of Canada recently legitimized sex with animals?

9 Jun 2016 ... The **Supreme Court of Canada** has upheld the acquittal of a British Columbia man in a **decision** that defines the crime of bestiality as penetration involving a person and **animal**. ... "The term 'bestiality' has a well-established legal meaning and refers to sexual **intercourse** between a human and an **animal**."

The Jewish Talmud also thinks it is okay to have sex with animals. Jews are also behind the legitimization of other forms of mental illness such as transgenderism, homosexuality, and all other forms of depravity. Sodomy is not okay and is not a natural occurrence but a life style choice. Sodomy is engaging with an exit sphincter not designed to be penetrated and therefore becomes a serious problem for sodomites when that anal sphincter prolapses.

“THE LAWS THAT FORBID THE CARRYING OF ARMS DISARM ONLY THOSE WHO ARE NEITHER INCLINED, NOR DETERMINED TO COMMIT CRIMES.”

JUDEO-CHRISTIANITY The Greatest Oxymoron of All Time

Judaism/Phariseeism demanded the crucifixion of Jesus.

The Jewish Talmud teaches that Jesus was the bastard son of a Roman soldier and a prostitute, that He is in Hell boiling in His own excrement, and that killing Christians is NOT a crime. SO, TELL ME AGAIN WHAT WE HAVE IN COMMON.

Note the ongoing court case concerning one drunken Jew who ran over a 14 year old child on a Canada Day, three years ago in Red Deer. He is still not hanging from a gallows.

Remember the other Jew who was charged with pedophilia in Red Deer a few years ago? He didn't even bother to show up in court for two and a half years and then got off with a light slap on the wrist.

JEWES own our courts. The judge receives 30 % of the day's take into his or her pension fund. SO MUCH FOR IMPARTIALITY ON THE BENCH. The word, bench, is Latin for, BANK, by the way.

BANKS are a huge Jewish fraud. Remember, Jesus chased those money lenders out of the temple. USURY IS A CRIME AGAINST HUMANITY.
