A CONTINUED LOOK INTO THE KORAN, Penguin Edition, c. 1968 by Gertjan Zwigelaar, B.A., B.Ed., EDE.

Let us continue into the next 100 pages of the Penguin Koran and start with a quote on page 103: 'Those to whom the burden of the Torah was entrusted and yet refused to bear it like a donkey laden with books.' THE BURDEN of the Torah. And Jews, are donkeys laden down with books; their Talmud, Torah, and Cabbala. Let that sink in for a moment. Muslims hate Jews. They absolutely despise them with a passion. Loathing is what Muslims have for Jews. Total and utter disgust and they wish all Jews to be dead. Preferably made dead in a horrible manner; much like the way Jews murder Palestinians and perform live vivisections on their children to harvest organs. Muslims don't bother with the organ harvest. But dicing and slicing a Jew, no problem; unless that 'Muslim' is an ISIS guy; an Israeli Security Intelligence Service agent in a black balaclava and wielding a sinister black flag. Take close note what you will often find hanging around one of those guy's neck; a golden Star of Rothschild/David/Moloch; it is all the same star. Note how ISIS does NOT attack Israel. Muslims, as I said, despise Jews. Where is the greatest concentration of those aliens besides New York and Miami? Israel. You would think that ISIS, being supposedly a Muslim terrorist group would want to annihilate that farm. Odd, eh?

The quote in question continues: '...Wretched is the example of those who deny Allah's revelations. Allah does not guide the wrongdoers.' Of course, the *wrongdoers* are those of us who do not want to only read one book, contemplate only one highway, and think exactly the same as our neighbours. If you let the Caliphate take a firm root in your land, you: '...unbelievers, Hell shall be your home: you have justly earned it, a dismal end!' p. 106.

You are given lots of visions of Paradise to which you want to aspire, by being a good Muslim, so why be an unbeliever? That is the question Muslims ask. Why would you want to subscribe to any other ideology when the after life is so fabulous for believers; male believers? So far there is no mention of a Paradise with adult women; just virgins, *houris*, and boys in, 'Pleasure Mansions.' p. 105. Pleasure Mansions? Doesn't that pornographic Jew, Hugh Hefner live in one of those buildings? And what about that other Jew, Epstein with an entire pleasure island? However, even if you are a good Muslim man, preferring young virgins, boys, and whatever else takes your fancy, 'In the life to come a woeful punishment awaits you or the forgiveness of Allah and His pleasure...' p. 107. So, there is still a wee bit of paranoia before one dies because you just never know if Allah is happy or ticked off at something that moment. Maybe when, 'We created the houris and made them virgins...' p. 109, one of them didn't work out or something and Allah was not happy, you might get it regardless of how often you debased yourself on your knees in the street.

Have you ever heard of the Zaqqum tree? No? I only just learned about it when I read page 109 of the Penguin Koran where it states: 'As for you sinners who deny the truth, you shall eat the fruit of the Zaqqum tree and fill your bellies with it. You shall drink boiling water-yet you shall drink it as the thirsty camel drinks.' Wikipedia, which you can not always trust to tell you the truth, however, in the case of the definition of the aforementioned tree, here is what Wiki had to say: According to the Quran, Zaqqum (Arabic??) is a tree that "springs out

of the bottom of hell-fire" or Jahannam. It is mentioned in verses 17:60 (as the "cursed tree"), 37:62-68, 44:43, and 56:52, of the Quran. Note the verse numbers? Wikipedia used a different version of the Holy Book.

Of course you will be given water to drink, as mentioned before. However, the fact it is, 'scalding water,' is repeated many times, just so you know. You are not getting any chocolate caramel machiatto pumpkin spice low fat cinnamon sprinkled double espresso \$8 designer coffee where you are going if you do not convert to Islam if you let the Muslims take over. On page 111 you can read FOUR times on one page, 'How stern was my punishment?' On the following page you can read the following: '...Our vengeance.' 'Taste My punishment...' x 2, 'We smote them with the scourge...', 'The Hour of Doom,' 'Are dragged into the fire...', '...feel the touch of Hell.' All of that on page 112, just to make sure you get it. Make no mistake, the Koran is very explicit and imaginative to a degree regarding what lies in store for you who do not subscribe to thought control.

Don't worry, though. Allah is forgiving and merciful. You may be able to avoid the torment of Hell as is promised on page 114. 'To those who avoid the grossest of sins and indecencies and **commit only small offenses**, Allah will show abundant mercy.' Who determines at what point the indecencies and offenses are small or large? Imams make those decisions and some of them, quite frankly, are not quite right in the brain; to wit their constant call to Jihad and the extermination of Christians and Jews. But, again, always remember, it is best to stay on the straight and narrow because: '...your Lord's punishment shall surely come to pass! No power shall ward it off.' 'On that day woeful shall be the plight of the unbelievers.' ... '...they shall be sternly shoved into the fire of Hell...' p. 115.

On the same page you are enticed towards good behavior, which is the recurring theme of the Koran; Crime and Punishment, Good Behaviour and Rewards. So: '...for the believers- They shall recline on couches ranged in rows, (ed. note how Allah is a good interior decorator. So far you have read in DtRH a number of mentions regarding the interior decor of the 'Pleasure Mansion'),...To dark eyed houris We shall wed them...and there shall wait on them young boys of their own as fair as virgin pearls.' What colour are pearls? Mostly they are creamy WHITE.

If you like Down the Rabbit Hole, please feel free to copy this pdf and hand it out. Shout from the roof tops: STOP THE MUSLIM INVASION NOW! Stop it before it is too late. They are serious.

Now For Some Odds and Ends, Bits and Snippets, Ideas & Thoughts for the Weekend

THE CANADIAN FEDERAL GOVERNMENT IS A TRAITOR

As you, who have been reading, DtRH know by now, Islam is NOT a religion of peace, but a death cult. The Canadian government's policies, (policies are the rules of corporations, btw. Bona fide governments enact, Laws. There is a difference), regarding Muslim 'refugees,' also known as, 'rapefugees,' are acts of treason since the creatures in question have demonstrated themselves to be extremely dangerous to all the values we Westernized, civilized, cultured, 21st Century human beings hold to be dear. Freedom of expression, for example; albeit there are now limits placed on that because of censor boards such as, Facebook, and now, the Federal Government of Canada, but, we are still, at this moment, able to speak our minds fairly freely in a coffee shop, sometimes, or the

grocery store; unless, of course, some Liberal Marxified Moron tells us that we are, 'Racist' and a 'White Supremacist' for loudly expressing displeasure at seeing two, fresh off the plane, Somalis in the store. In my particular case, I told them to go back to Africa where they belong. The White Liberal Cuck, admitted he was a White Man, and yet, when I asked him if he was proud of his race, told me he was not. I told him that he was, 'a traitor to his race.' That is exactly what the Liberal government of Canada is, and more. Justin Trudeau is a simple minded, narcissist; a Jewish lad; we all at DtRH suspect is the bi product of a union of a Jewish woman, Margaret Spencer; one of the 13 Illuminati families, and a Jewish psychopath named, Fidel Castro. Justin can not help but be what he is. It is in his very DNA and he is a 'destructive force,' a traitor whose ministers do not care if Muslim invaders come here carrying exotic diseases of the mind, the heart, and the, I was going to say, *soul*, but I am beginning to wonder if those üntermenschen have souls. They may not be intelligent enough to effect the development thereof. Judging from the barbarous behaviour of those low IQ Muslim freaks coming from Sub Saharan Africa, well documented on copious YouTube videos and news reports out of Europe, where the invasion has become so terrible, chimp hybrids just walk into people's houses and demand to be fed. There is no reasoning with those creatures because their Koran tells them Islam will inherit, indeed, MUST inherit the entire planet. Justin Trudeau and his government are aiding and abetting that. Now that I have been giving you some insights into the Koran, cf: editions 10, 11, and now, 12 you should be well aware regarding the danger posed by that religion to we who think otherwise and do not consider thought a crime. We call for the immediate impeachment of the Federal Government of Canada. They are all traitors and extremely dangerous to ALL of Canada.

SUPREME COURT JUST US GINSBERG MUST BE IMPEACHED SINCE SHE IS not trust worthy and does not live up to her word. The witch said she would quit if Mister Trump won the election and yet the evil Jew is still smelling up the bank/er, bench she sits on. Ginsberg must be forced from office. We at DtRH wish the wicked witch were relegated to some place which suits her demeanor. Israel would be better for her, since that shitty little farm in the Middle East has a similar attitude to hers. Seeing her scowling, horrible Khazarian face almost every day on Facebook and news sites from the USA makes our collective stomachs want to up chuck our lunches. We have extreme revulsion, since we are careful not to use the dreaded word, *hate*, since that word is no longer allowed and can get a human being in trouble in Marxified democratic countries. Hence, we at DtRH despise Ruth Ginsberg; a quite useless creature, actually with a very mediocre reputation and record, in the opinion of our Executive Desk Editor.

JUST BECAUSE A HUMAN BEING OR A JEW HAS A DEGREE IN LAW WHY DO people agree that they have a right to sit in judgement of us? A law degree, or degrees, so what? The Bible says, 'Judge not that ye be not judged also.' Having spent many hours in courts our EDE will tell you that he has no respect for them; not in the slightest and thinks the present Admiralty courts are a farce; a Just Us system largely run by Jewish creatures where Justice does not show her pretty face very often. COURTS in general are much like viper dens and snake pits, where SHYSTERS, a word that applies to lawyers, look it up for yourself, slither about conducting nefarious business which costs those of you who can not speak for yourselves and prefer to be, CLIENTS, 'imbeciles; persons of unsound mind,' of lawyers, a fortune. Our EDE defends himself in court and wins because he studied law on his own and wrote a 49 page essay, under his pseudonym, regarding the history and philosophy of law, A Handbook for the Righteous, or How to Beat the Unrighteous at Their Own Game by Emmanuel Truthseeker. This booklet comes packaged in an unlabelled red duotang which readers affectionately call, The Red Pill. It comes with a 49 page bibliography to take people out of the Matrix to the other side. In

other words, Down the Rabbit Hole. People in Alberta are successfully using his information and excellent success stories are accruing such as: impounded long guns returned without charges laid, speeding tickets quashed, two non insurance, non registration tickets quashed, saving the defendant 60 days in jail and \$13,500 in fines and costs, an impounded car returned without charges laid... The last time Gertjan sold a copy it went for \$145! People can order the essay by first establishing contact with the author who will advise you how to proceed. GRATITUDE TO JEFF RENSE

We at Down the Rabbit Hole have followed Jeff Rense for a long time already. Since the days Rense.com hardly had any advertising and he was just heading out on his brave internet journey. Rense.com has always been a source of incredible news stories and links which in the case of our EDE, has consumed a lot of his time every day as he eagerly follows up on what is REALLY happening in the world. Jeff does not censor things and presents a very interesting, eclectic mix of information and entertainment. We highly recommend to everyone who wants to learn about the Truth, to use the internet to good effect and tune into: Rense.com and Rense Radio and become enlightened and aware. We are grateful and happy to see Down the Rabbit Hole included along with so many excellent Truth Warriors on the very finest, most beautiful to look at news site on the planet. Spread the word. The web address is easy to remember. The more people who tune into Rense.com, the sooner the important information, especially the information regarding the Muslim invasion, will help humanity reach the critical mass needed to turn this horror around. Tune into Jeff Rense and copy, Down the Rabbit Hole. Tack it up in your lunch room bulletin board. Leave it in places. Tuck it in a newspaper... Spread the word. The truth will set us free and the more who know and understand the truth, the sooner we can return the planet to sanity; peace, and harmony. Of course, once the Muslim issue is dealt with we have to address the Jewish Question and be done with that one as well. For so long as there are Jews and Muslims, we will have no peace, ever. In our opinion, that is. We could be wrong, but so far, no one has proven us to be errant. We do our homework at, Down the Rabbit Hole.

MUSLIM SEX ATTACKS NOW IN TWO ALBERTA SWIMMING POOLS!

What has become common place in Europe, especially in Germany and Sweden, the two most justified liberalised cuckolded countries on the planet thanks to their traitorous politicians; those self important narcissitic slime balls who were elected in demon craptic (sic) processes, we now are seeing Muslims having sexual emergencies up here in Canada; in Alberta! In Cowboy Country! WTF?!!! And Jewboy Justin our present Crime Minister, wants to let even more of those creatures into our country. One pool event happened in Lethbridge, which is not only a city in Alberta, it is a hot spot for MORMONS! Muslims and Mormons, that is an interesting mix. For Mormons; not all, but there is a tolerance for bigamy. Muslim men are into that big time since the Koran makes it highly desirable to have four wives and as many others on the side, as well. That is why the Muslims are presently gaining tremendous ground. They are out reproducing us. By *us*, we mean, WHITE PEOPLE. Fidelity to one wife is not encouraged in Islam. Joseph Smith, a Mason, he liked the ladies, as well and was a well known philanderer; as was Mohammed. So, in Lethbridge now we have, Masons, Mormons, and Muslims; the three Ms. Of course there are plenty of Jews down there, as well, but they hide in the shadows and pull the strings and shove the levers of their nefarious puppet show. We think they are rubbing their hands with glee because they so love depravity. It is why the Jews love the Muslim

invaders so well, because they too are so depraved; and so easily manipulated since they are so mind f...ed. Jews stir them up and the fanatics go bananas; an apt term for what sub Saharan chimp hybrids act like when they get upset. And they get upset very easily since their religion condemns everything we value in the Western World; the one that is somewhat closer to the future than those countries the pre Medievalists hale from.

The other attack was in West Edmonton Mall's water park where several people were attacked by a refugee Muslim with a sexual emergency problem. We at DtRH are not politically correct and think we should just hang those guilty vermin. In a normal place, vermin are exterminated with extreme prejudice. We have no tolerance for cockroaches.

And Now For A Bit of Politically Incorrect Humour to Take You Into the Weekend and Hopefully, Some Well Deserved Rest

A Muslim man died and went up to the Pearly Gates. The Muslim told Saint Peter he was not interested in answering questions and wanted to see Mohammed right away. The Saint thought for a moment. 'Mohammed you said?' Peter scratched his chin and suddenly remembered, 'Mohammed is upstairs.' Peter pointed to a magnificent stair case. 'Go up there.' The Muslim was very happy to learn that Allah's prophet was higher up than St. Pete and eagerly ran up the stairs to be met by Archangel Michael on the landing. After informing the magnificent Archangel that he was there to see Mohammed, Michael had to think a moment. The name did not ring a bell immediately. He checked his Rolodex and found the name. 'He is up there.' Michael pointed to a glorious golden stair case. The Muslim man was overjoyed to learn that Mohammed was higher up than the Archangel and eagerly ran up the stairs to find Jesus standing on the landing with a big grin and open arms. 'Welcome to Heaven my son,' He said happily. The Muslim regarded Jesus for a moment and then demanded to see Mohammed. Jesus scratched his right temple. He stroked his beard. He narrowed his eyes and furrowed his brow. 'Mohammed. Mohammed....' Jesus thought and thought. He pulled the register out and turned to the section labelled, M and ran his finger down the list. 'Ah, here he is. Mohammed. Prophet... Yes, yes, here it is. His location.' Jesus pointed to an incredible stairway, at the other end of the lobby they were standing in. 'You see that golden stairway over there? The one with the silver ballustrade and the precious stones in the spindles?' The Muslim man nodded his head eagerly. 'Go up there.' The Muslim man was ecstatic. 'Mohammed is higher than you, Jesus? I always thought that. Oh, I am so grateful and happy...' He ran up the stairs to land in a humungous room in the middle of which stood a huge throne, in front of which stood a coffee table and a couple of well designed chairs. On the throne sat God, the Almighty Himself. He regarded the little Muslim and welcomed him to Heaven. The man nodded his head and thanked the Mighty Creator, but he was not so much interested in Him, preferring instead to tell God that he was there to see, Mohammed. God sat back and smiled and told the Muslim to be patient. 'Let's get to know each other a little better,' He said. 'Would you like a coffee? Or, perhaps a cup of mint tea?' The Muslim was very impatient, however, he did have to admit he was thirsty from having run up all of those stairs. Hence, he agreed to a Turkish coffee. God gestured for the man to sit down. Then He snapped His Mighty fingers and shouted, 'Mohammed! Two coffees, please!'

THE TALKING DOG

A man walked past a sign on a fence, TALKING DOG FOR SALE, \$5. He noticed the seller sitting smiling at him on the porch of the house so he went over to talk to him about the dog. 'You really have a talking dog for sale?' 'Yep,' agreed the man. 'He's in the back

yard if you want to talk to him.’ The first man was intrigued and decided to see for himself if there was, indeed, a talking dog back there. Rounding the corner of the house, the man noticed a white and tan Jack Russell terrier sitting on the lawn staring at a cloud. The man knew that those dogs are very smart but he was dubious, obviously, about the talking bit, thinking the dog probably had an odd bark or something like that. Thinking it funny, the man said, ‘Are you the talking dog?’ The dog slowly turned to look at the man and then, in a voice as clear as that of Lorne Greene, he answered, ‘Yes.’ The man was taken aback for a moment and then asked again, thinking he was hearing things. The dog again answered in clear English, that, yes, he is a talking dog. The man was completely flabbergasted and began to pepper the dog with questions about how he got to be a talking dog. ‘Well,’ replied the Terrier, ‘I was trained by the CIA, FBI, MI5,6,7 and 8, as well as Interpol to be a spy dog. They taught me various languages so that I could infiltrate terrorist cells. Whenever those humans would have a meeting, for example in a coffee shop, I would sit nearby and listen to the conversation and then report back to my handlers in Langley. The terrorists just thought I was a mere dog and never paid me any attention. I was very effective and managed to foil a plot on 8/12. I missed the one on 9/11. That is when they got rid of me.’ The dog hung his head and looked very sad all of a sudden. The man took one more look at the little Jack Russell and returned to the man on the porch. ‘So, did you talk to the dog?’ asked the seller. The other man agreed that he had spoken to the creature. Then he asked, ‘Why are you selling him? And why so cheap?’ The seller regarded the man for a moment. and sighed. ‘Did he tell you that he was a spy dog? That he was trained by the CIA and the FBI and who knows what else? Interpol, MI 5 and so forth?’ The interested man nodded and agreed that was what the dog had said. The seller spat an oyster into a bush beside the porch and frowned. ‘The dog is a bloody liar and that’s why I’m getting rid of him.’

Why does everyone still believe in governments? Most are corrupt as hell and controlled by Jews and their minions. Government is a disease and politicians are the vector.
