WHITE PEOPLE OF THE WORLD WAKE UP NOW!!! YOU ARE BEING EXTERMINATED!

Let us first look into the Dark Continent which is retarded Africa:

Let us especially focus on South Africa, which was once not retarded and now a barbaric place where the official policy of the Negro infected government is to mass murder all White People within the next 5 years! When the Dutch Boers came to SA in the late 18th Century, there was nothing there; just some very backward, very retarded Hottentots and a few other tribes of Bushmen living in scattered places north of the succulent places the Boers developed into a fantastic nation, millennia beyond anything the Negroes could have come up with. Remember, Negroes never even invented a plank and were not farmers or people who could cooperate together to build much of anything except grass huts and no out houses. Not even sidewalks. The same story unfolded in Rhodesia. Once it was a very rich place, as well, but Negroes took over control and now the place is Zimbabwe and a shit hole controlled by some sort of human looking gorilla/chimp hybrid named Robert who is infected with the Jewish virus called, Communism. Gorilla/Chimp Robert now wants White People to come back to his retarded country to help his people survive; since Blacks can not survive without White People helping them. They have become dependent on us, just as Banff Park bears have become accustomed to people giving them handouts. Some can no longer fend for themselves as a result and have become unnatural bears.

Once the Boers had built their nation in South Africa, the Negroes, like the Banff Park bears migrated into the White Man's land and began to feed off them. Now they have been stirred up with the Jewish virus to hate White People; to hate the very hands which fed them and to murder them en masse. Economic starvation and overt horrifically barbaric torture and mass murder is now accruing in greater numbers. In fact the number of White Boers murdered within the time that Apartheid was dismantled by the Traitor Botha and the terrorist, Nelson Mandela; a murderous little vermin, took control of the government there, more than 80,000 Boers have been tortured and killed. Everyday more White People face the spectre of imminent torture and death by Negro and no government on the planet is taking a stand to help these White People who are truly refugees deserving of help. All White People who want to leave South Africa must be immediately given the support they need with money, weapons, ammunition, and flights out of there. Without the help of their fellow White countries, the builders of modern South Africa will be wiped out and the

country will revert very quickly into a fourth world cess pit controlled by some fearsome, black savage.

White People of South Africa are increasingly deprived of their circumstances. Many are now living in squatter shacks; the ones that were at one time the homes of negroes. South Africa, unless it is immediately helped, is doomed to become just as Rhodesia; another Marxist hell hole.

Instead of White Countries bringing in Muslims; under the guise of refugees; many of them young men of fighting age with expensive cell phones and good clothes, White Countries ought to deport all Muslims to Hell and import only White People. Not Jews, who look like White People, but actually are some sort of alien collective which believes it is god, but true White People; the kind of people who build civilizations instead of tearing them down, which is what Jews and Muslims do. Jews destroy everything which has a high value for White People and Muslims are just some sort of bizarre hive minded psychopathic mass murdering retarded group of pre Medievalists stirred up by the Main Scream Jews and other nefarious schemers such as the infamous creature known as George Soros; a Jew who ought to be expelled from the planet with extreme prejudice. This must happen ASAP.

White People need to wake up. We are at war. Muslims want you dead and so do the Jews. They don't want all of you dead, only most of you. They do need some of us left alive because without us, they are totally useless, as well. Jews are not smarter, they are just better organized than most of us. They are an alien collective, and many are inbred barbarians who stink.

Canada is almost lost to multiculturalism. As I walked past a local French immersion school playground, where once there were only White Children, there are now many negroes. One of those young blacks, a tall girl, likely in grade 5, kicked another negro, a younger girl, who she had knocked down. When I went over to talk to a couple of girls sitting on a bench, to show them the empty honey comb I had found in the forest nearby, they were not much interested. A dark skinned woman, a supervisor came over with attitude wondering what I was doing there. Even though I explained, she maintained an attitude of superiority. When I told her I was a Fine Arts Dept. Head at the huge high school at one time she asked if I knew her husband. I did and remembered he had converted to Islam; being a very strange little man; an IT specialist who likes looking at blinking lights and is now so busy, 'what with having to pray five times per day,' he gets very little done. He also admitted he had become a Muslim so he could marry an 18 year old. Now he is with this older Muslima, who is teaching in the Public School where I stopped. She was not interested in the honey comb, either. More on the Muslim invasion of Alberta in future editions. **Thanks to Jeff Rense for hosting, Down the Rabbit Hole. Please feel free to copy.**
