ANOTHER JEWISH HOAX “The Biggest Mass Murder in U.S History”

The Biggest Mass Murder in U.S History actually is the annihilation of the indigenous populations of the United States. Just so we get that part of the story out of the way. Anyone who knows a tiny bit of American history has to admit there is no way to deny the fact that blankets, infested with Small Pox took out a huge percentage of the natives; those feather wearing, pre stone age people, the descendants of Asiatics who wiped out the White Races who were in NORAM before the *Indians* got there. All that was before some of NORAM was artificially divided up and renamed, The United States of America. So, the mass murdering that took place before the 18th Century does not count. However, it does count when the nation of subjugated sovereign states made it the official policy of the federal government to wipe out the indigenous people, who comprised many different nations; just like Europe, for example. Old Europe, not the present manifestation totally controlled by nefarious schemers whose strings are pulled by the International Judaic Federation of Chutzpatzing Talmudics hell bent on the destruction of the White Race and everything magnificent that race built in those countries across the sea. Now the place is overrun by pre Medieval savages all at the behest of those appointed, not elected leaders of the European Union. Funny thing is, the Nosebergers are heavily involved and have infected the place with their psychopathy. Same thing goes on in NORAM, not just in the Jew Nighted States, but in Canada and Mexico, as well. In fact, the Children of Satan are well on their way to realize their millennia old agenda to impose the Jew World Order on all of us. The False Flag Hoax in Las Vegas is part of the story. So, let's examine that story some more as we go Down the Rabbit Hole with a strong flashlight.

Whenever human beings are shot with bigger bullets, .38, .45, or 9 mm rounds, they do several things immediately. A .45 round will knock a person over and tear a huge hole in them resulting in one or all of the following. First a stunned look as they are knocked over and wondering, WTF just happened to me? Then, when they look down at the gaping hole in their body and the copious amount of blood starting to pump out, they either go into immediate shock, or they SCREAM with pain, since the searing heat and the perhaps shattered bone, or bones, begin to hurt. The pain is intense. When 500 or more people are shot, the amount of SCREAMING! MOANING! and other utterances of dismay will be quite voluminous. In fact, the SCREAMING would be very, very LOUD!!! I never heard any screams in any of the videos I have watched, and believe me, I have made 25 pages of notes, so far on my observations. You can read the first set in Tuesday's DtRH on Rense.com.

When more than 560 people are shot in a small place, 60 of them dying from their wounds, and the other 500 bleeding profusely, the parking lot they were on, not being a sponge with super absorbency power and the ability to make red look like pavement, would have been a small lake of blood. A river of blood is a way some would describe it. A *Blood Bath* is a common term for such an occurrence. Did you see a blood bath? Unless there is something wrong with my spectacles? No, I looked close without them on and I still never see a Blood Bath in that strange little venue across from the obelisk of the International Satanists, most of whom so happen to be Jewish; go figure.

Speaking of Jewish characters in this surreal story we are expected to believe to be True, let us talk about those two despicable vermin, Michael Chertoff, who looks like a spawn of Satan, and that fat pig, Sheldon Adelson, who owns most of Las Vegas and is a very horrible, disgusting

creature, in our opinion. Those two nefarious creatures and their minions, Adelson & Chertoff & Co. are heavily invested in security technology. Indeed, Israel is a major exporter of security systems and personnel. Indeed, that racist, apartheid state in Palestine trains our NORAM policy enforcers to consider the citizenry as an enemy. Anyway, now that so many parrots are squawking the official narrative, not having been on site, only getting what they hear from the Main Scream Jews, including people who were there, part of the paid for crisis actors who put ideas into peoples' heads such as that panicked group who jumped into the Blair Witch Cabbie Project and frantically mentioned the fact there was a broken leg in the group and hundreds of bodies were on the ground. If you recall, I spoke about the Cabbie video on Tuesday. If you watched that video, did you note how the camera jumped about, just as in the Blair Witch film, and yet it stayed focused on the nearly naked Shiksas on the side of an advertising van with the number, 696 of the phone number very prominently focused on by the 'cabbie.' Oh, how those jews love making up movies; some good, many bad. In the case of the Blair Witch Cabbie Project, the thing is really a D class movie for the chimpanzeed masses who haven't got a clue what is real and what is not. Many people live a fantasy life and think they are free and living the life, and yet, how free are they? Most people live within the realm of political correctness and believe Demon Ocracy is some sort of legitimate political system. Indeed, most Americans don't know that they are supposed to be living in a REPUBLIC. There is a HUGE difference. And, it is because of Demon Ocracy, a vile jewish conspiracy, that we have the situation as it is unfolding; the imposition of the Jew World Odour on the rest of us and this charade in Las Vegas, Satan's Playground where people say things like, 'what happens in Las Vegas, stays in Las Vegas.' Not anymore. The jew is out of the bag. We know Cui Bono here at DtRH and we will state right here, without equivocation; Adelson & Chertoff must be immediately arrested and investigated regarding this huge hoax attempting to justify the imposition of ever more security systems developed and constructed by Chertoff's company; the one which made so much money post 9/11 with the sale of body scanners for all airports; and now in our court buildings here in Kanuckistan. You watch, security and gun control will be the big story now which will be shouted at you from the Tell Lie Visions and newspapers, magazines, McDonald drink cups, perhaps?

What happened in Las Vegas is not staying in Las Vegas. Not anymore. The Wild Card, those nefarious Children of Satan never counted on was the Internet. Even though they are trying to control it; to wit Facebook's constant denial of my free speech and that of others. Facebook, indeed Mark Zuckerbug, a jew; and hence a human looking creature with a likely infection his 'race' is known for; that being schizophrenia. And, lacking an empathy gene, being jewish, he is controlling the conversation and has now banned me for a total of 410 days, since 2016. That has to be some kind of record, wouldn't you say? So, I have to speak my Truth here in DtRH and I am grateful to Jeff Rense for publishing these pages.

Anyway, let us continue to examine this Hollyweird production in Las Vegas a little more because it is an interesting story which is revealing that a whole lot of CITIZEN ARRESTS need to be immediately conducted. All the lying police, civic, and state officials who have been promulgating nonsense, out right lies, and cover ups must be arrested and incarcerated as they await their trials for sedition and treason. Indeed, what has happened in LV is a treasonous event in which a whole lot of people are complicit. It is a treason against the people to impose more police state control over everyone and everything. LV is a Deep State production and we, who are informed and awake, know to be largely comprised of creatures who are not human beings but indeed are the Minions of Lucifer hell bent upon the destruction of FREEDOM for anyone but themselves.

It is high time to stop buying into the Jewish Myths which have you all enslaved. The first of those myths being their Chosen People nonsense. Just think about that for a moment and you can not fail to realize what incredible hokum it is. Then, think about the fact that 110 places on the planet kicked them out once the people learned what they are up to. Now is another such time when the jews, who have now gone much too far; far beyond chutzpah, when the people must organize and expel those schemers from the planet once and for all. Whilst you are at it, take the Muslims along, as well. Neither Jews nor Muslims belong in civilized nations. To be continued...
