## DEMOCRACY BROUGHT YOU THE NEW WORLD ORDER

Are you getting it yet? Have you woken up to the joys which Democracy brought you today? Are you enjoying the tyranny which your vote has influenced? Your one measly vote; some mark in a box on a piece of paper or computerized facsimile? Remember what Stalin said, who ever controls the counting of the ballots wins the election. Democracy. What a terrible hoodwinking of the ignoratti; those goyim; those 'animals in human skin.' Masons rub their hands together with glee; many of them not really reaching for the highest degree and many of them also members in good standing of the global ignoratti who have read only one biography. The one about Jack Shit.

Democracy is a top down tyranny of the masses who have been pummeled and indoctrinated in Public Fool Systems which impose curricula designed by International Jewry. One such social engineer was John Dewey, an avowed Satanist. Dewey's method of educating children has resulted in a mass of morons who follow orders, are up to their eyeballs in debt and believe they are responsible for onerous tax burdens. Most people under the yoke of Democracy believe that huge governments are good for us and they don't question it. One such Marxified cuck told me that it was all right for people to pay onerous taxes because, 'someone has to pay for the parks.' Those parks being the ones he walked his dog in during the day because he was not working for anyone and did little else but ride some strange new scooter around or build up his muscles. He was not paying for the parks, but someone has to. Up here the people call it, Social Democracy and look what that has gotten us in Canada. The sailors called the Canadian Taxpayers, who row the good ship Canada, a bankrupt corporation; ie: a boat with lots of holes in the hull and leaking constantly, have to work for more than half a year just to pay their tax burdens leaving very little left over to give the family an awesome life instead of just a mediocre one. Democracy got Canada an arrogant, low browed Jewboy for a Slime Minister and he and his Liberals; those Marxified Cucks who are mostly dim witted morons; no different than the moronic masses from which they are drawn in a popularity contest fueled with money from those internationalists who own the media including the text book publishing enterprises in which the Jewish hoax is so insidiously insinuated to indoctrinate the innocent, unsuspecting children, into becoming debt slaves with little interest in reading anything which requires deeper reflection because they are just too worn out from a hard day at work. Both mom and dad are tired and have little interest in the children they brought into the world and let them be further programmed with the Jew's Tell Lie Vision. Democracy got you all of that. You voted for it.

Democracy got you creatures like Barrack Obama, Jacob Zuma, Robert Mugabe, Julius Malema, Nelson Mandela, and even you have been programmed into thinking that Martin Lucifer King is a great hero. Democratic schooling has taught the people to trust in authorities and those creatures never told them about the incredible dark side of that negro who had a dream. His dream was to stick his black snake into every furry den he could. The man was an insatiable sexaholic just like that Jewish filth in Hollywood, the poster boy whom Meryl Streep called, 'God.' I wonder how many Hollywood moguls she serviced as she climbed up that tinsel ladder. Under Democracy, people like that despicable reptile, Mister Brown in California, a state which also spawned one of Lucifer's brides, Dianne Feinstein, (Feinstyn. Styn, not steen. She is a Jew and therefore a typical lying POS). Democracy voted those vermin in and now you have what you have. Her husband is making billions off you Democratic goyim isn't he? His companies may very well get the contracts to rebuild the vaporized neighborhoods of Santa Rosa. How is the high speed train development going in that melting state, soon to be sacrificed to the radioactive Pacific Ocean; dead because Democracy in Japan supported nuclear power stations on the edge of the ocean there. Democracy put minions of the Jewish Nuclear Power Industry in government and,

people who are government ministers being no smarter than the average member of the ignoratti were easily persuaded by those carpet baggers with nefarious plans in their briefcases and moolah, lots and lots of moolah in whatever currency desired, it matters not. The Jewish bankster's presses will even put it out in plastic. What do you want? Brown ones? Red ones? A huge stack of green ones?

Democracy got us all the Federal Reserve. It got us the World Bank and the I.M.F. Democracy got us the Bank of Settlements. Indeed, Democracy continues to support a Jewish monarchy in formerly Great Britain; a nation to which the people of the Jew Nighted States still pay a yearly tax, inspite of the so called Declaration of Independence. Most people living in the formerly SOVEREIGN states of America because of Democracy and the educational arm of that mind virus, few know anything about either the Declaration or the Constitution. Same up here in Canada which is quickly becoming another 'Stan,' as in Kanukistan; a place where a whole lot of Muslims are breeding in huge numbers and setting up their weapons caches, ie: mosques, and walking about in desert clothing because someone 1400 years ago told them that is something Allah demands. In winter, Canada is not a desert. It is covered in snow and cold as Hell's Kitchen. However, due to Social Democracy, Kanukistanians accept that Islam's psychopathy is a cultural thing and the authorities have matters in hand and all is well. People up here have even willingly stood in line to give up their firearms to members of a huge organized gang called the Royal Canadian Mounted Police; a band of brothers who mostly don't read books, are actually not highly intelligent and mostly are simple soldiers who take orders from the Jewish reptile in England; Lizardbreath the Second. Democracy keeps the British occupation force; still ceremonially dressed in the crimson livery of the British army of a couple of centuries ago, and few question the fact that Canada openly admits it is a police state by advertising itself with images of a mounted policy enforcer on a horse and with a lance. The lance of Democracy with which that simple Simon on a horse can spear whomever the majority does not like. In a Democracy, Truthseekers are generally marginalized because they buck the system and that makes the Democrats nervous. A Democracy can not tolerate Truth speakers. One such Truthseeker was Socrates. Democracy killed him because he was polluting the minds of the young. In other words, old Socrates was revealing the flaws of the system and the majority can not accept that since the Elite have told them Socrates is wrong.

In a Democracy, as long as it is all right with the masses, anything goes. So, now we have a time when entire neighborhoods can be vaporized with directed energy weapons and mass executions can be staged at a open air music event. Creatures like Hillary Clinton can run for public office instead of peeking through the bars of a jail cell. That is because of Democracy. Democracy brought you Donald Trump and he thinks she is, 'good people,' inspite of having promised to incarcerate her. Democracy got people the, Three Strikes and You're Out, rule for the goyim and they accepted it because that is what one does in such a political tyranny. One OBEYS and preferably does not question the status quo if one does not want to be marginalized or possibly jailed and maybe even murdered. Remember that one of the admonishments in the Talmud is to 'even kill goyim.' Because of Democracy, Noahide rules are in effect in the USA and those rules are not so kindly disposed towards dissenters. There are lots of dissenters in the many privately owned jails in the Jew Nighted States because Jews know how to work Democracy and control the outcomes of every election thusly bettering circumstances for Jews and lessening the circumstance of the goyim. Now, many goyim are poor and the Jews are generally pretty rich; many of them living off reparation payments for an imaginary holocaust Democracy got them that extortion racket. To question it will get you a jail sentence in Democratic nations such as Canada and Germany and many others. Indeed, in Germany, an openly Jewish traitor named Merkel has opened the gates of the castle and let in an infestation of murderous Sub Saharan vermin to kill the indigenous White people of the nation. I repeat, Democracy got the Angel of Death into the prime leader ship of that formerly brave nation.

It is time to put an end to the lie and start holding politicians to account. Relearn Fascism and study Mein Kampf then you will know that National Socialism is the only political system which makes sense and is of benefit to a nation and her people. Democracy is a terrible evil.
