

QUEEN (preparing for PASSING)  
 - BALMORAL Bed chamber

(NOT church of England)  
 more like priest/sovereign  
 sorcerer

There is medical equipment on one side, near bed.

She is in Bed AT the Castle, a woman/confidant at her side. THIS IS LADY IN WAITING - PART of a ROYAL ORDER - very high ranking LADY - LADY AT the Bedside - or LADY of the chamber. There are very powerful crystals on a nearby cabinet. The crystals create special energy fields.

CRYSTALS AND jewels that have great power/frequencies. There is a priest who is conducting magic to help her reincarnate as her own heir. The priest is NOT church of ENGLAND. He is a sorcerer (best word I can come up with) HEAVY RITUALS TAKING PLACE  
 CHANTS - MAGIC SHIT
